

The Business Centre turning ideas into enterprises

TBC Satellite Kiosk Project

The Business Centre is excited to announce the development of satellite kiosks in the communities of Mattawa, Sturgeon Falls and Callander.

These kiosks have been set up as a way for the public to contact our business experts in North Bay from the comfort of their own communities.

This means you can cut down on travel time and spend more time developing your brilliant business ideas!

Each kiosk will be equipped with a computer for Skype video conferencing and research purposes. They will be ready for use in the Fall of 2010.

For additional information feel free to contact Gillian McLaren, Project Coordinator at [705 474 0626 ext. 2441](tel:7054740626).
