

Notice - June 25, 2020:

Callander's Splash Pad Remains Closed

After thoughtful consideration, Council for the Municipality of Callander has decided that the Callander splash pad will remain closed for the time being.

The decision was made with the objective of keeping residents and visitors safe, as further details about the spread of the COVID-19 virus become known.

Residents and visitors are welcome to take advantage of Callander's beaches located at Main Street South and at Centennial Park for water play and "cool down" opportunities.

We will keep you informed with updates on this matter.

Thank you for your understanding.
